Hi Alison,

I was reaching out about the JBCC machine gun range decision that we announced yesterday. We ended up connecting with Denise Coffey who wrote the article yesterday.

I'm out today but I'd love to talk with you for a few minutes next week to make sure I have updated contact info for the CCTimes.

Best,
Dave

Subject: News item from US EPA

Hello,

I apologize for the group email. I've been trying to reach a reporter or editor at Cape Cod Times for a news item from the U.S. Environmental Protection Agency that we believe will be of interest to your readers. Unfortunately the previous numbers I have for former reporters don't seem to work and I'm unable to connect with you. If someone from the news room can give me a call I'd like to discuss a story that you will very likely wish to cover.

Best Regards,

Dave
